Loonie Ledger

Canadian Household Budget Google Sheets version

Prefer Google Sheets to Excel? Use the link below to get your own copy, saved to your Google Drive. The Excel file in your download is the same tool.

Canadian Household Budget

Make my copy

Or paste this into your browser: https://docs.google.com/spreadsheets/d/1MvJXjkpZazMD_yEiVoxkBzyYcRTUrjVX3LXT9xTIKZA/copy

How it works

1. Sign in to your Google account.
2. Tap **Make my copy**, then **Make a copy**.
3. Your copy opens and is saved in your Google Drive. Rename it if you like.
4. Open the **Start Here** tab and follow the steps.

Your copy is private to you. Nobody else can see it, including us. On a phone, the Google Sheets app works best.
